Panasonic Automotive Systems Co., Ltd.

M365 Tenant Migration Discussion

(as of 7/24/2025)

Microsoft Japan Corporation

2025/8/6

Review of the last MTG (7/17)

On the following pages, we will list your company, PAS, Panasonic, PISC, and other companies with abbreviated titles. Due to space constraints.

- Starting April 1, 2026, PAS in the covered region will need to stop accessing the existing environment.
- Need to keep the migration cost to a minimum, but due to the above background, transition period is not adjustable.
- Need to estimate the migration cost in Max at this point.
  - **Enrollment Structure:** PASA contracts are not split billing, and the enrollment would be a single enrollment.
  - **Enrollment Currency:** Plan to pay in USD.
- If there is a room to reduce overlapping costs, even if it is partial, consider it (EU/CZ)

PASEU/PASCZ/PASI/PASAP assumes the following

Confidential

Microsoft

I understand that PASEU/PASCZ is within the PISCEU contract, PASI is within the PISCIN contract, and PASAP is under the PISCJP contract.

PASAP	AAA-10756	M365 E3 Original Existing Customer Sub Per User	$24.96	9	740	$166,233.60
					Total	**$440,367.30**

Supplementary Information

- The above is a reference price based on ESA price level D as of July 24, 2025, and is different from the actual selling price. In addition, special prices are offered when purchased within Panasonic's global contract (Panasonic's special discount applies). If you procure a license within your Apollo agreement, the price will be different from the above.

Special Proposal (EU/CZ) during the transition period

Confidential

Microsoft

correspondence policy

- As a general rule, licenses cannot be transferred between tenants mid-term, and customers place orders with the new tenant on the anniversary date. (this doesn't double-cost)
- Normally, as mentioned in last page, a paid license is required, but regional PAS under the same Enrollment (= i.e., under PNA) contract as PASA will implement the following special measures
  - Based on your information, **only PASEU and PASCZ in the PISCEU agreement in (1)** apply
- For other regional PASs, license arrangements will be required according to the transition period, so we will provide you with an approximate amount when purchasing under a PASA contract

Microsoft

In the event of a merger, acquisition, or sale, a "Partial Tenant Migration" is specifically permitted to transfer some licenses to another tenant only for PASEU/PASCZ in a PNA/PASA agreement.
However, PAS for other regions is not applicable and requires license purchase at the start of migration ~ annual ordering.

Region	SKU	Product Name	Discounted Unit Price	Month	Quantity	Total
PASI	AAA-10756	M365 E3 Original Existing Customer Sub Per User	$24.96	9	100	$22,464.00
PASAP	AAA-10756	M365 E3 Original Existing Customer Sub Per User	$24.96	9	740	$166,233.60
					Total	**$188,697.60**

Supplementary Information

- The above is a reference price based on ESA price level D as of July 24, 2025, and is different from the actual selling price. In addition, special prices are offered when purchased within Panasonic's global contract (Panasonic's special discount applies). If you procure a license within your Apollo agreement, the price will be different from the above.
- For PASEU/PASCZ, we are taking special measures to extend the Grace Period to 180 days (maximum) for the implementation of Partial Migration. For this, you need to sign a change agreement (M876) and sign a Lead Agreement (PNA).

Partial Migration Grace Period
Amendment ID M876

※ Draft Version

Microsoft has agreed to extend Percentage of seats being covered % of the Insert Tenant Name tenant ("previous tenant") licensed seats included in CPS XXX for Insert # of days needed days in good faith in order to enable Enrolled Affiliate to complete all remaining migration of Customer Data from this previous tenant to another tenant. The extended Insert # of days needed -day grace period will start immediately upon the processing of the Customer Price Sheet submitted in conjunction with this Amendment. Microsoft will not provide additional extensions to the partial tenant migrations for the subscriptions on this previous tenant beyond the Insert # of days needed -day grace period; there will be no additional retention period following this grace period. In the event Enrolled Affiliate requires its users to continue to access the previous tenant after the Insert # of days needed day grace period, Enrolled Affiliate will need to place orders for the applicable subscriptions subject to the Enrollment associated with the previous tenant. Enrolled Affiliate will not be required to pay retroactively for subscriptions used during the Insert # of days needed days of the grace period.

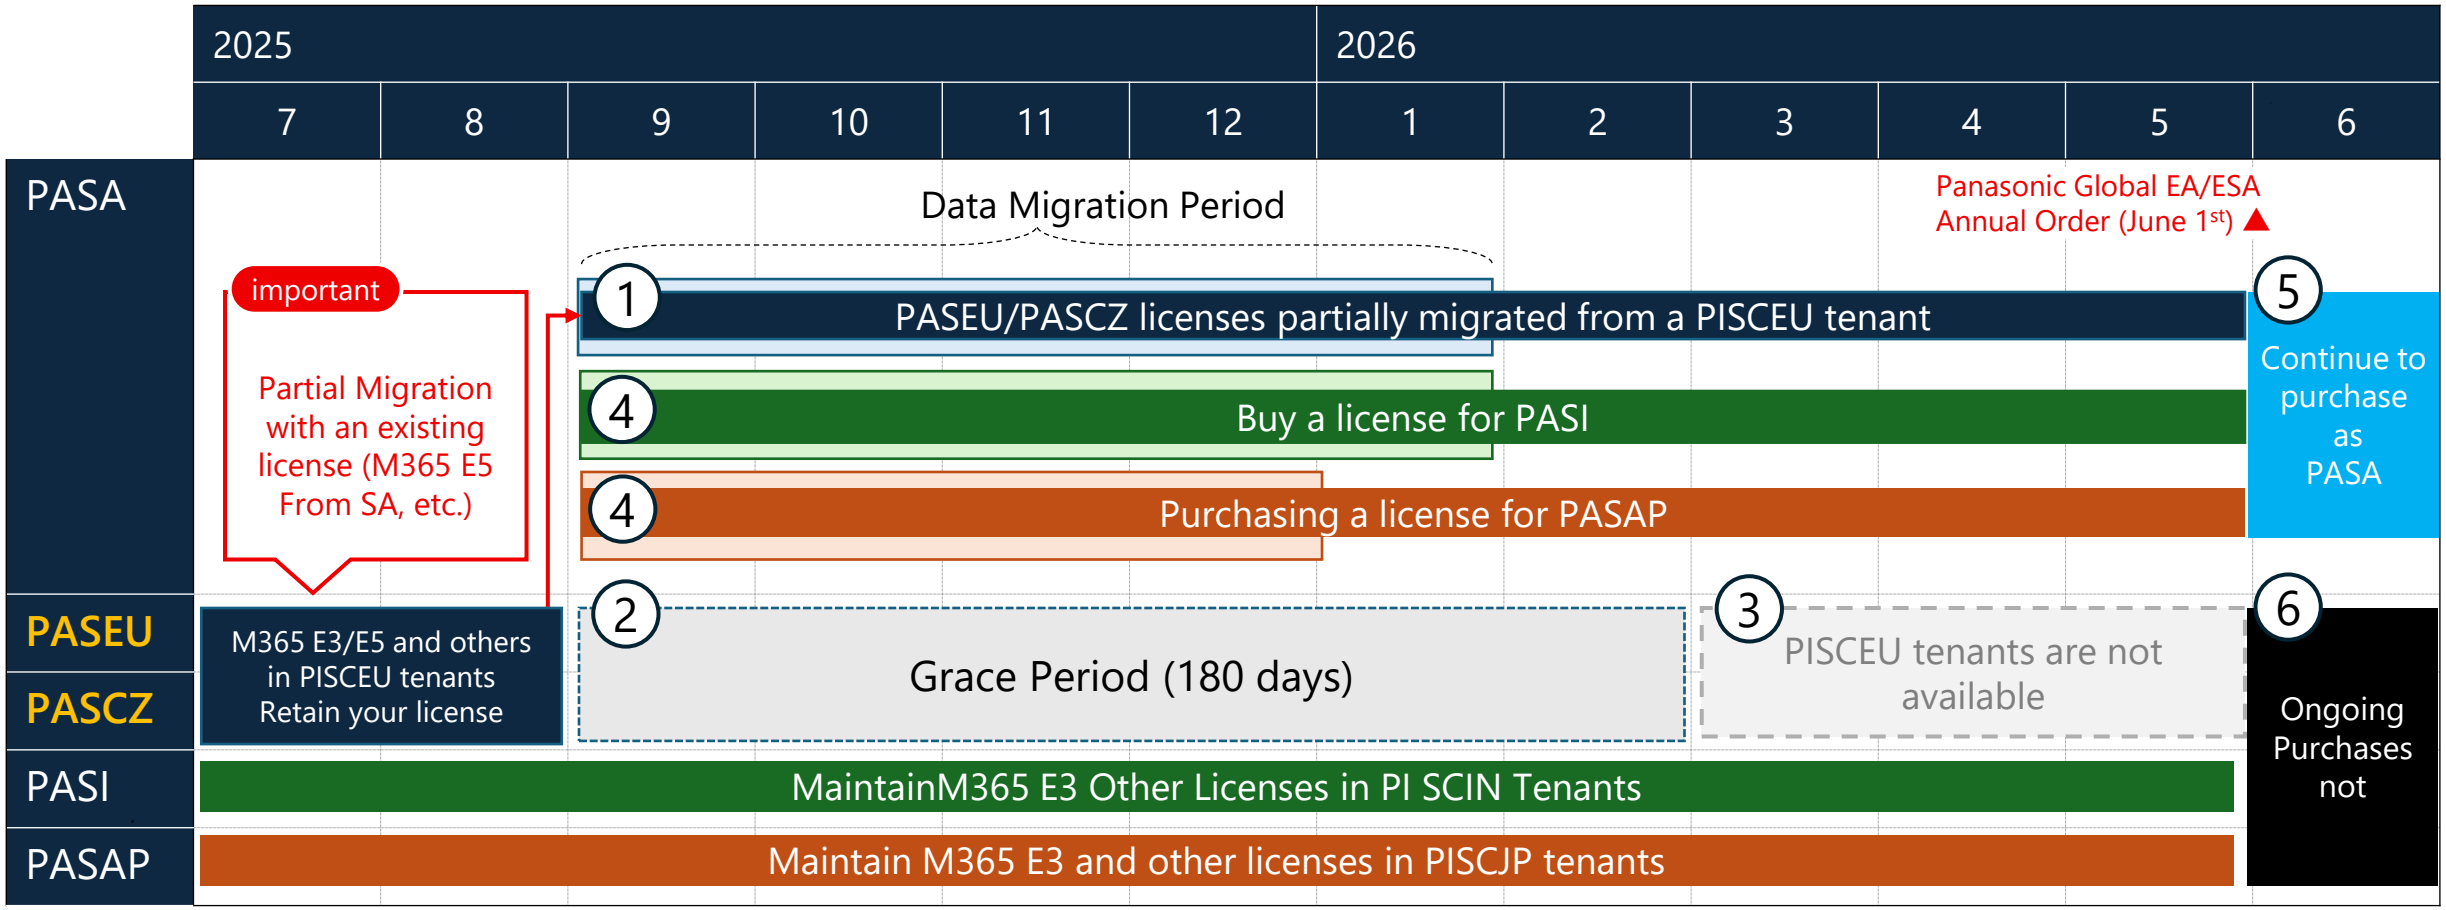
Requests to your company

The implementation of the Partial Migration requires the cooperation of the PNA and PISCEU, which have a lead contract.
Please ask PNA/PISCEU for heads up and request for cooperation in this matter .
*Signing of a change contract, Revised CPS support, etc.

[Reference] Partial Migration and other implementation ima

Confidential

Microsoft



(1) Partial migration of EU/CZ licenses to PISCEU ➡ PASA tenants (order modifications are made using Revised CPS)
(2) Grace Period begins in the PASEU tenant (the target SKU/quantity is provided and ordered at 0 cost for a limited time of 180 days, and GP is provided in a pseudo-manner).
(3) After the 180-day Grace Period, the EU/CZ will no longer be able to use the PISCEU tenant
(4) Order a 9-month migration license for PASI/PASAP in your PASA tenant.
(5) Licenses for EU/CZ/IN/AP must be ordered under a PASA contract from the appropriate date of June 1
(6) Licenses from the former tenant of EU/CZ/IN/AP must be handled by the former tenant so that they do not continue to order after 6/1.

[Notes] Transfer of PASEU's M365 E5 FSA

M365 E5 FSA Transition image

Expected behavior and concerns in Partial Migration

- PASEU is currently in use in the PISCEU tenant under a special model number called M365 E5 From SA (FSA) (①).
- During Partial Migration, 392 M365 E5 FSA licenses are temporarily moved to the PASA tenant (②)
- However, since 26/6/1, PASEU will be using M365 E3 in PASA tenants, not M365 E5.
  M365 E5 FSA → M365 E3 FSA will be downgraded to NG, so you will lose FSA rights as it should be.

Request from PISCEU

- During the negotiations for the renewal of the contract, the M365 E5 FSA used by PASEU will be transferred to a Zetes tenant in the same billing contract from 26/6/1 , and there is a request from PISCEU to grant special permission.

Things to note when placing an annual order on 26/6/1

- **PASA**
  Do not order the M365 E3 FSA or M365 E5 FSA for PASEU within the PASA contract.
- **PISCEU**
  Order the same number of M365 E5 FSAs as PASEU used by the Zetes tenant (③)

[Please note] The license procurement amount after June 1, 2026

Notes

- During Year 1 (June 1, 2025 - May 31, 2026), PASA's ESA contract is within Panasonic's global contract, allowing you to offer the ESA price level and special discounts applicable to your Panasonic contract.
- However, after Year 2, if PASA leaves Panasonic's global contract and becomes licensed within the Apollo agreement, the Apollo price will apply. This applies not only to regional PASs that have already migrated to PASA tenants, but also to regional PASs that are migrating to PASA tenants in the future when procuring migration licenses.
